CLASSIC BEGINNER COURSE

This course is perfect for complete beginners, learn absolutely everything there is to know from Louise who has been in the lash industry for over 20 years.

On this course she will share all her knowledge and secrets of lashing. And you'll gain hands on experience, helping you to be a fully competent and confident lash technician.

Our Classic Lash Training Course is designed for aspiring lash technicians who want to master the art of applying classic eyelash extensions.

COURSE OVERVIEW

The Classic Lash Training Course provides participants with the skills and knowledge necessary to apply single eyelash extensions to enhance the natural beauty of clients' eyes. The course is suitable for beginners and those looking to refine their techniques.

On this 1 day course you will learn

Introduction to Eyelash Extensions

- Overview of the eyelash extension industry.
- Different types of extensions and their materials.
- Understanding the anatomy of natural lashes.

Health and Safety

- Importance of sanitation and hygiene.
- Client consultation procedures.
- Identifying allergies and contraindications.

Lash Application Techniques

- Detailed instructions on the classic application method.
- Proper isolation and placement of extensions.
- Understanding lash mapping and styling based on client preferences.

Tools and Products

- Overview of essential tools (tweezers, adhesives, etc.).
- How to choose the right products for different clients.
- Techniques for maintaining and caring for tools.

Practical Hands-On Training

- Supervised practice sessions on live models.
- Step-by-step guidance from experienced instructors.
- Tips for improving speed and efficiency in application.

Aftercare and Maintenance

- Educating clients about lash aftercare.
- Understanding the lash growth cycle and refill procedures.
- Techniques for troubleshooting common issues.

Business and Marketing Skills/ social media

- Building a successful lash business.
- Effective marketing strategies for attracting clients.
- Importance of customer service and client retention.

Upon successful completion of the course, participants typically receive a certification that validates their skills and knowledge in classic lash application. This certification can enhance their credibility as a professional lash technician.

The Classic Lash Training Course is a valuable investment for anyone interested in entering the beauty industry. By the end of the course, participants will be equipped with both the technical skills and business acumen needed to thrive in the competitive world of eyelash extensions.

VOLUME BEGINNER

This course is for participants that are confident in classic lashes, isolation is on point and are ready to take there lashing to the next level.

This course is perfect for complete beginners, aiming to learn Volume lash techniques.

Louise will teach you her style of lashing and not only 1 method of fanning but 4, she will personally mentor you through every step and find out which method suits your own technique of lashes.

She will share with you all her tips and tricks and all her favourite brands leaving you a confident, skilled lash artist.

Volume lashes are applied using a multi lash technique it is much more intricate than apply classic lashes, several light weight lashes are fanned and applied to the natural lashes resulting in a volume boosting, thicker filler, darker look these are our most popular lashes leaving clients with there dream lash sets.

Treatment time 2hrs-2.5 hrs

Cost per set £55-£80 dependant on area

Two clients a day for 5 days at £70 per set = £700 per week

Course Price £450

Duration 1 day

Starter kit (optional) £100
